CREW PROFILE

Captain: **Damion Moses** **Age: 42** **Nationality: New Zealand** **Languages: English**

Growing up in New Zealand Damion naturally turned to the sea and worked on the water for 13 years before turning to the superyacht industry. For the last five years, being loyal to the same owner, Damion now knows DAYDREAM inside out from first joining as Mate, working through the refit and 2014 saw him as Captain. His experience in the northern hemisphere has covered Sweden, Finland and Norway in addition to sailing in Europe and Russia on DAYDREAM. Damion also assists in deliveries of the owner’s second vessel, a 36 meter sailing yacht SUNNY HILL.

When not on-board ensuring the smooth operation and maintenance of DAYDREAM, Captain Damion enjoys fishing, diving, cooking, caving, cave diving, hiking, rafting, sailing & music. Damion is very much looking forward to making your experience on-board DAYDREAM an unforgettable one.

Chef: **Andrew Beyerle** **Age: 31** **Nationality: Australian** **Languages: English**

Andrew is a passionate, young and energetic Australian born chef, boasting an eclectic and diverse mix of experience at high level with many culinary tastes. In his 13 years as chef, he has cooked for private clients and in some highly awarded restaurants, including the Michelin- starred Nahm Restaurant and Vinoteca in London, Longrain in Melbourne and the very exciting newly established Catfish Thai in Ballarat. Bringing with him an “around the world experience” of French, Italian, Middle Eastern, British, Spanish, Australian, American, Vietnamese and Thai cuisine, he has really honed in on his own style of food. Over the last year, Andrew has been living in Sweden, learning much about Scandinavian culture and cuisine; a further string to his bow!

His first luxury yacht position was on-board SY Aphrodite A which took him cruising around the Mediterranean, Caribbean and coast of Central America cooking for international guests. Later, on-board MY Delisle 3, Chef Andrew enjoyed chartering in the South Pacific. His approach to food is classic, incorporating the freshest sourced produce with sound technique, paying respect to tradition and sprinkling it with his own flair.

In his free time Andrew loves keeping active, scuba diving, jogging and generally keeping fit. Andrew loves collecting vinyl records and music from the 1950s, 60s and 70s and DJs at bars and clubs wherever he is. Andrew has worked the last two seasons on DAYDREAM.

Further crew details to follow; Chief Officer, Engineer, Chief Stewardess, Stewardess & Deckhand.
